Hi Jimmy,

Ok, that's too bad. However, it sounds like it should be a good event for you guys.

On another note; I am currently looking for some artists that might be interested in participating in an art grant application for some more K-Town mural boxes.

Do you know any local artists that might be interested?

Do you know if the artist(s) that did Beer Belly and/or your other property murals might be available to discuss the project. If so, could you introduce me or forward me their contact info?

Thank you,
